TEHAMA COUNTY  
PLANNING DEPT

RE: Comments on Tehama County Administrative Draft General Plan (November 2006)

Dear Mr. Robson:

We have reviewed the Tehama County Administrative Draft General Plan (November 2006) and offer the following comment:

Air Quality - Policy OS-2.1

In this section, the Plan states:

Implementation Measure OS-2.1e Require all new wood burning fireplaces and stoves meet EPA certified standards for fuel efficiency and air quality.

Our comment: The Tehama County Air Pollution Control District's Rules and Regulations has Rule 4:27 Fireplace and Solid Fuel Heating Device Usage rule to regulate fireplaces and stoves. Implementation Measure OS-2.1e should read "Require all new wood burning fireplaces and stoves shall meet the requirements of Tehama County Air Pollution Control District Rule 4:27 Fireplace and Solid Fuel Heating Device Usage.

If you have any questions, please contact me at (530) 527-3717.

Sincerely,

Gary C. Bovee, Assistant  
Air Pollution Control Officer
