

**TEHAMA COUNTY PLANNING COMMISSION
DRAFT GENERAL PLAN STUDY SESSION/FIELD TRIP
MINUTES OF THE
MEETING JANUARY 3, 2008**

The Tehama County Planning Commission met in a Special Session at 8:30 am. On Thursday, January 3, 2008 in Courthouse Annex Room E, 444 Oak Street, Red Bluff, California, with the following members present: Commissioners Toni Turri, Linda Walker, Don Jones, Kim Tipton, and Delbert David.

Chairperson Linda Walker presided. Present were Planning Director George Robson, Recording Secretary Kellee A. Taresh, and Scott Friend, PMC.

CITIZEN'S CONCERNS:

John Ohm addressed the Commissioners. Mr. Ohm explained he is concerned with the proposed Westside ValleyAg/Upland Ag boundary. Mr. Ohm stated this property has been in his family for over 100 years. He explained his property is Valley Ag now and is concerned with one half the ranch being 20/40 acre minimums and 160 acre minimums, devaluating his property as this zoning would lessen borrowing power. He stated that the line being drawn at Paskenta Road is too far in.

Mr. Robson explained to the Commissioners they may wish to take these comments under consideration and look at Google Maps after all districts have been reviewed. He explained there will be a recap meeting then a public hearing with the Commissioners Final Recommendations to the Board of Supervisors.

Chairperson Walker recessed the meeting at 8:45 a.m. for the field trip.

Chairperson Walker reconvened the meeting at 11:05 a.m.
